

## Certificate of Analysis

### MONOCLONAL ANTI-HUMAN SERUM AMYLOID A

REF	100279
PRODUCT NAME	Anti-h SAA 2201 SPTN-5
Product	Purified immunoglobulin fraction in 50 mM Na-citrate, pH 6.0, 0.9 % NaCl, with 0.095 % NaN <sub>3</sub> as preservative. In vitro cultured mouse hybridomas. Purified by protein A affinity chromatography.
Subclass	IgG2a
Manufacturer	Medix Biochemica
Lot number	2000198
Store at	2-8 °C

Characteristics	Limits	Values
Concentration		5.1 mg/ml
Immunoreactivity	80-120 %	94
IEF profile		Matches reference
Monomers	≥ 95 %	> 95
IgG Purity	≥ 95 %	> 95
Manufactured		2021-04-20
Expiry date		2022-10-20

Approved by Quality Assurance	2021-08-17
Signed by	Saara Ollila
